It is a truth universally acknowledged, that a single *man* in possession of a good fortune, must be in want of a wife.

However little known *the feelings or views* of such a man may be on his first entering a neighbourhood, this **truth** is so well fixed in the minds of the surrounding families, that he is considered the *rightful property of some one or other of their daughters*.

"My **dear Mr. Bennet**," said his lady to him one day, "have you heard that *Netherfield Park* is let at last?"

Mr. Bennet replied that he had not.

"But **it** is," returned she; "for **Mrs. Long** has *just been here*, and she **told me all about it**."

Mr. Bennet made no answer.
